

MAKE A PAPER UNICORN

YOU WILL NEED:

scissors, paint (coloured pencils or pens), glue, & paper fasteners (thread, wool or string)

Download the PDF and print onto paper.

Colour as you wish and then cut out the unicorn body & legs*.

Make 6 small holes here 

Thread the paper fasteners or pieces of thread wool or string (knot this at each side) through one leg, the body, and the other leg. Secure at the back.

*You can glue the print out to card before cutting it out.
